MEMORANDUM

TO: STATE AND TERRITORY ASSOCIATIONS
FROM: DEBBIE SIMS
SUBJECT: TEAM MANAGER – TRANS TASMAN SERIES 2009
DATE: 11 NOVEMBER 2009
CC: PETER WRIGHT

As you are aware the Trans Tasman test series will be held concurrently with the Australian Masters Squash Championships to be held in Victoria in September 2009.

The issue of Team Manager was raised at the Annual General Meeting in September 2008. Members were of the view that the appointment process should continue and should start as early as possible. An early appointment will enable the successful applicant to become proactive in the arrangements and organisation of the Australian team.

I am now calling for expressions of interest from States and Territories for the position of **Australian Team Manager**. The Team Manager must be available for all three tests.

The Team Manager will be responsible for:

- coordination of the Australian team in Victoria for the 3 tests;
- organisation of the manufacture and delivery of team uniforms
- purchase of gifts
- coordinating travel and accommodation arrangements in conjunction with AMSA and NZMSA
- liaising with the NZ Masters
- dealing with any issues that may arise.

Nominations should be returned to me via email (debbie.sims@actlawsociety.asn.au) to arrive no later than **Friday, 12 December 2008**.
